

Equipment hand out procedures

Hello parents! This is your friendly president Ty Amey writing you on behalf of the Seminole Executive Board (SEB) to remind you of this year's equipment handout procedure. Please take the time to read this email in its entirety as it is crucial we have a clear understanding on the expectations regarding equipment.

1. Helmets, chin straps, shoulder pads, practice jerseys, and practice pants must be RETURNED!! As we continue to find ways to lower our overall cost of our program we have placed an emphasis on successfully collecting all of our equipment. We strive on providing all of our children with the best and safest equipment and we need your help to ensure we can continue to do so.
2. If you are going to use a different chin strap than the one issued with the helmet please attempt to purchase a Riddell chin strap! If you use a chin strap that is not Riddell you are acknowledging that Riddell is no longer responsible for any head injury that might occur. We will also expect you to return our chin strap if you choose to use a different chin strap. Failure to return our chin strap will result in a \$10 charge.
3. If you lose or break a helmet, shoulder pads or chin strap you will be required to pay the Full Amount of the replacement equipment in order for your child to continue playing this season. Please take extra care of the equipment to avoid facing any of these additional costs. Do not place equipment on the bottom of heavy piles of stuff. Do not allow your child or anyone else to sit on, throw, kick or drop the equipment.
4. Your children will be signing a sheet acknowledging the receipt of a helmet, shoulder pads and chin strap. We will mark the size and make of the equipment received and provide the information to your head coaches for tracking throughout the season.
5. Please make sure that you purchase the 7 Padded Griddle by Monday. We will start practicing in full equipment next week and your griddle will be required! If you need any assistance on where to get this item please contact you Head Coach.

I want to thank you for taking the time to read this email and for entrusting our organization to become a part of your village. We are excited about this upcoming season and look forward to working together to make the 2017 Seminole season successful on all fronts! God Bless and GO SEMINOLES!!!

Respectfully,

Ty Amey
Bay Area Seminoles President
